# Assignments & Roommates

W I N G A T E

## Housing Assignments Process

## Keys to a positive roommate relationship

1. Open communication and mutual respect
2. Sharing expectations and compromising

## Roommate Agreements

## Room Change Process

## Educational Priority

To provide students opportunities to integrate their curricular and co-curricular learning while deepening their engagement in the Wingate community. Through transformative and purposeful experiences, students will become activity engaged in their personal development. Engaged students will thrive as they seek out diverse perspectives to broaden their knowledge and become lifelong ambassadors of Wingate University.

## Learning Goals

Engaged Citizenship	Engaged Learning
Interpersonal Development	Inclusive Perspectives
